Food and Drug Administration

[Docket No. FDA-2023-F-5500]

Kemin Industries, Inc.; Filing of Food Additive Petition (Animal Use); Chromium Propionate; Correction

AGENCY: Food and Drug Administration, HHS

ACTION: Notification of petition; correction.

SUMMARY: The Food and Drug Administration is correcting a notice entitled “Kemin Industries, Inc.; Filing of Food Additive Petition (Animal Use)” that appeared in the *Federal Register* of July 27, 2023. The document announced that we filed a petition, submitted by Kemin Industries, Inc., proposing that the food additive regulations be amended to provide for the safe use of chromium propionate to be used as a source of chromium in turkey feed. The document was published with an incorrect docket number. This document corrects that error.
